## AK+W600 Alkaline RO Water Purifier

“Redefining water purity from tap to glass”

**HEALTH BENEFITS:** Alkaline water for optimal hydration, free from contaminants and toxins, balance body PH, promotes healthier skin and improved digestion.

- Alkaline water is a natural antiacid.
- It prevents the aging of the skin, as it is a natural antioxidant that regenerates cells.
- It prevent the proliferation of external pathogens such as a bacteria and viruses.
- It benefits the production of red blood cells due its high concentration of oxygen
- it moisturizes much faster and, therefore, is often recommended for atheltes.
